CRITICAL TERRITORIES

These are the 5 sub-regions in which it will be preliminary concentrated the **case 08's** investigation:

CRIMINAL PATTERNS

The investigation has identified three big criminal patterns which were generated by the following strategic motivations:

1)

**Crimes motivated
and justified by
the counter-insurgency
battle**

2)

**Crimes motivated
by the favoring
of particular
economic interests**

3)

**Crimes motivated
by the control of
public enforcement
in those territories**
